Logical Left Shift
Original binary number: 10110110
After left shift 1 : 01101100
After left shift 2 : 11011000
Final 8-bit result: 11011000
Decimal value: 216
Logical Right Shift
Original binary number: 11010100
After right shift 1 : 01101010
After right shift 2 : 00110101
Final 8-bit result: 00110101
Decimal value: 53
